ENJOY LIMASSOL

Limassol is one of the most vibrant and welcoming cities in Cyprus, making it an ideal destination for a youth basketball tournament. The city combines a modern coastal atmosphere with sports facilities, safe walking areas, and plenty of activities that young athletes can enjoy during their stay. With warm weather most of the year and a friendly local culture, teams always feel at home in Limassol.

SAFETY

Limassol is a vibrant city that combines beautiful coastal scenery with excellent sports facilities, creating the perfect environment for young athletes to enjoy basketball and explore a new city. Last year, Limassol proudly hosted a group stage of EuroBasket 2025, demonstrating our city's strong basketball culture and ability to organize international competitions.

MODERNITY

Limassol is a secure city for youth team. Walking around the promenade, marina, and old town in small groups is easy and safe. Coaches can rest assured that players will be well-protected while exploring the city during free time..

CULTURE

Limassol also offers culture and history for teams to explore. The medieval castle, old-town streets, local cafés, and artisan shops give young athletes a chance to experience Cyprus' heritage safely. It's a wonderful way to combine sightseeing with team bonding.

WEATHER

Our weather is warm and sunny, ideal for outdoor activities and recovery by the sea. We recommend players stay hydrated, wear sunscreen, and take advantage of the beach and promenade during free time.
